

# SPECIFICATIONS – MOTOR PUMPS: PB18-LE

## Use Your Engine on our PB18 Pump

Waterous has made available our PB18 Series Portable Pumps without engines. This will enable you to mate the PB18 pump with the engine of your choice using an SAE J609 mounting flange with a special shaft arrangement (see next page).

All models are available with a Waterous hand primer or exhaust primer. (Note: Exhaust primer available for Briggs & Stratton V-Twin engines only). Other optional discharge valves, elbows and fittings are available as listed under each model name.

**Waterous offers a 90-day warranty on the PB18-LE models, unless the pump components have been modified in any way.**

### Models:

#### ***PB18-2515-LE Pump Specifications:***

**Type:**

Combination

**Intake:**

2-1/2 inch female NPT

**Optional Discharge:**

- Ball valve with 1-1/2 inch male NH thread (2515B)
- Ball valve with 1-1/2 inch female NPT (2515B)
- 1-1/2 inch female NPT (2515F) (No Ball Valve)

#### ***PB18-3030-LE Pump Specifications:***

**Type:**

Transfer - Supply

**Intake:**

3 inch female NPT
