

SPECIFICATIONS – SIDE-MOUNT OR TOP-MOUNT MODULES
Save time and Mounting Hassles with Waterous Modules.

Waterous, the leader in fire pump technology and innovation introduces their Side and Top Mounted Modules. Waterous Modules save the OEM time by having the pump and accessories mounted directly to the module frame. An aluminum pump house contains the pump panel, including gauges, panel plates and hinged panels for easier pump compartment access. All Waterous Modules come with a standard 5-year pump warranty with an optional TPP-5 warranty that adds parts and labor.

Design Features:

- 3X3X.188 6061-T6 Extruded Aluminum Pump House
- #4 Brushed Finish 304 Stainless Steel Panels
- 304 Stainless Steel Piano Hinges for Access Panels
