

## **SALES BULLETIN No. 0123**

## **Release of PB18 Portable Pump with Integral Fuel Tank**

All Waterous PB18 Portable Pumps are equipped with a Briggs and Stratton V-Twin 18HP engine with a top mounted 6.95 quart (6.58 L) fuel tank. Previously, only PB18 with Wrap-Around Frames were available with this engine.

### **Features and Information:**

- Four Models Available: PB18-2510/2015, PB18-3030, PB18-2015 and PB18-4025
- Optional Bases: No Base, Rail Base or Wrap-Around Base (Note: PB18-3030 not available with Wrap-Around Frame)
- Fuel tank is part of the Briggs & Stratton engine located on the top of the engine.
- Fuel tank adds 4-1/2" to the height of PB18.
- Optional operator's panel includes discharge pressure gauge, compound intake pressure gauge, start and stop control, speed control and panel light.
- Optional combination spark arresting muffler and exhaust primer, fast and easy to use.
- Quarter-turn bronze priming valve, operates with push/pull knob.
- Optional rectangular halogen mast light - 5.625" X 2.875", 2190 candelas, 949 lumens (only available on Wrap-Around Frame Models).
