

### Standard Features

- 74 HP Deutz Diesel Engine
- Waterous CPD-2 High Flow Pump
- 100 SCFM GHH-Rand Rotary-Screw Air Compressor
- Aquis™ 1.5 Foam Proportioner
- Digital Touchscreen Control Panel
- ECLIPSE™ GEN 2.0 CAFSystem
- Venturi Primer w/Electric push button activation switch
- Poly Chain-driven water pump & compressor
- Three (3) 1.5" Foamulators for three (3) 1.5" CAF/Foam/Water discharges
- One (1) 1.5" clear water discharge
- NFPA Ratable 250 GPM
- One (1) 2.5" Intake

#### CPD-2 Pump

- Single-Stage
- Aluminium body
- Self-Adjusting Mechanical Seal
- Stainless Steel Shaft
- Bronze Impeller
- Bronze Wear Rings

| 200-100-OS Performance |      |          |
|------------------------|------|----------|
|                        | FLOW | PRESSURE |
|                        | GPM  | PSI      |
| Water Flow             | 200  | 125      |
|                        | CFM  | PSI      |
| Air Flow               | 100  | 125      |

#### Deutz Engine

- Diesel
- 74 Horsepower

#### Tellurus Control Panel

- One-Button Operations
- Engages entire ECL System

#### Intake

- 2.5" NST Connection
- 2" Tank to Pump Valve

#### Compressor

- 100 SCFM GHH-Rand Rotary-Screw Air Compressor

#### Foamulators™

- Three (3) 1.5" Foamulators

#### Aquis™ 1.5 Foam Proportioner

- Paddlewheel Flowmeter
- 1.5 Foam OPM Pump
- 1.5" Flowmeter Tee
