|          | <i>Output Connections</i>                                                 |             |
|          | <i>TC22 Series</i>                                                        |             |
|          | Single 1410 Series End Yoke (No Charge)                                   | \$0.00      |
|          | Single SAE Class B 2-Bolt Hydraulic Flange                                | \$2,023.00  |
|          | Dual Output, 1410 Series End Yoke and SAE Class B 2-Bolt Hydraulic Flange | \$2,216.00  |
|          | <i>TC23 Series</i>                                                        |             |
|          | Single 1550 Series End Yoke (No Charge)                                   | \$0.00      |
|          | Dual Output, 1550 Series End Yoke and SAE Class C 4-Bolt Hydraulic Flange | \$2,372.00  |
|          | <i>Optional Driveline End Yokes (Price Listed for One Yoke)</i>           |             |
| V 2837   | 1710 Series (2.35-46T Spline)                                             | \$277.00    |
| V 2838   | 1810 Series (2.35-46T Spline)                                             | \$544.00    |
| V 3388   | SPL140 End Yoke (2.35-46T Spline)                                         | \$398.00    |
| V 4102   | 1810 Series Half Round (2.35-46T Spline)                                  | \$877.00    |
|          | <i>Optional Yoke Cross and Bearing Kits (Price Listed for One Kit)</i>    |             |
| V 2839   | For 1710 Series End Yoke                                                  | \$143.00    |
| V 2840   | For 1810 Series End Yoke                                                  | \$161.00    |
| V 3389   | For SPL140 Series End Yoke                                                | \$238.00    |
|          | <i>Optional Driveline Companion Flanges (Price Listed for One Flange)</i> |             |
| V 3719   | 1480/1610 Series (2.35-46T Spline)                                        | \$701.00    |
| V 3619   | 1650/1710 Series (2.35-46T Spline)                                        | \$791.00    |
| 63714    | ISO 8667 Serrated (2.35-46T Spline)                                       | \$658.00    |

| Part No. | Item                                                                   | Price       |
|----------|------------------------------------------------------------------------|-------------|
|          | <i>Pneumatic Shift Unit with Interlock</i>                             |             |
|          | With In-Cab and Operators Panels                                       | \$1,252.00  |
|          | With In-Cab Panel Only                                                 | \$1,252.00  |
|          | With Operators Panel Only                                              | \$1,106.00  |
|          | Without Operators Panel                                                | \$920.00    |
| V 3601   | Optional Air Compressor Kit, 12 Volt                                   | \$967.00    |
|          | <b>Optional Priming System (When PTO is used to drive a Fire Pump)</b> |             |
|          | <i>Priming Pump</i>                                                    |             |
|          | <i>VPO PTO Mounted Priming Pump</i>                                    |             |
|          | 12 Volt                                                                | \$1,421.00  |
|          | 24 Volt                                                                | \$1,859.00  |
|          | <i>Push Button Switch for Primer Activation</i>                        |             |
|          | Standard (No Charge)                                                   | \$0.00      |
|          | Oversize                                                               | \$346.00    |
|          | <i>Main VAP Priming Valve</i>                                          |             |
|          | Single Vacuum Activated                                                | \$507.00    |
|          | Dual Vacuum Activated                                                  | \$1,010.00  |
|          | <i>Additional VAP Priming Valves (For Multiple Valve Systems)</i>      |             |
|          | Vacuum Activated (VAP) (Price for each additional valve)               | \$1,316.00  |
|          | <i>Optional Priming Lubricant Tank</i>                                 |             |
| 82593-1  | 5 Quart Priming Lubricant Tank                                         | \$173.00    |
|          | <i>Optional Prime-Safe Priming Lubricant</i>                           |             |
| 72800-1  | 1 Gallon                                                               | \$104.00    |
| 72800-5  | 5 Gallons                                                              | \$291.00    |
| 72800-55 | 55 Gallons                                                             | \$1,685.00  |
|          | <i>Venturis Air Primer</i>                                             |             |
|          | Auto Prime Feature                                                     | \$399.00    |
|          | Air Primer and VAP Priming Valve                                       | \$1,346.00  |
|          | Additional VAP Priming Valves (Price for each additional valve)        | \$1,316.00  |
|          | Optional Pressure Protection Valve                                     | \$55.00     |
|          | Optional Solenoid Cable Extension                                      | \$76.00     |
|          | Optional Pressure Switch Extension Cable                               | \$58.00     |
|          | <b>Optional Drain Valve (When PTO is used to drive a Fire Pump)</b>    |             |
| 71803-5  | Cable Operated Bracket Mounted                                         | \$425.00    |
